MD. Habibur Rahman has been serving as an Assistant Director at Rural Development Academy, Bogura under the Ministry of Local Government, Rural Development and Co-operatives, People's Republic of Bangladesh since July,2026.

He worked as an Assistant Researcher on a research entitled as “ Problems of Water Sewerage in Dhaka North City Corporation (DNCC), impacts on low income people and Ways to overcome”. During this time, he was involved in collecting data about socio-economic impacts of low income people due to mismanagement of water sewerage in DNCC. He is highly enthusiastic in working in order to improve the standard of living of rural and low income people and fostering economic growth.
