**Independent Auditor's Report**  
**To the Shareholders of Rupantarita Prakritik Gas Company Limited**  
**Report on the Audit of the Financial Statements**

**Qualified Opinion**

We have audited the financial statements of Rupantarita Prakritik Gas Company Limited, which comprise the statement of financial position as at 30 June 2023, and the statement of profit or loss and other comprehensive income, statement of cash flow and statement of changes in equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, except for the effects of the matters described in the Basis for Qualified Opinion section of our report, the accompanying financial statements give a true and fair view of the, the financial position of the company as at 30 June 2023 and of its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs) the Companies Act 1994 and other applicable laws and regulations.

**Basis for Qualified Opinion**

- Party wise schedule and Party addresses of Receivable from Other Govt. Organization amounting Tk. 26,898,449 were not provided to us. In absence of such information balance confirmation letter could not be sent to such parties in order to obtain third party confirmation, also parties involved with the receivables could not be verified.
- External confirmations of the balances of trade receivable account amounting Tk. 230,413,046 as disclosed in note# 12.01 to the financial statements, except for receivable from KGDCL (LNG), were sought but yet to be received till the approval of the financial statements.

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) together with the ethical requirements that are relevant to our audit of the financial statements in Bangladesh, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

**Other Information**

Management is responsible for the other information. The other information comprises all of the information in the *Annual Report* other than the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report the fact. We have nothing to report in this regard.

**Responsibilities of Management and Those Charged with Governance for the Financial Statements and Internal Controls**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with International Financial Reporting Standards and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**Report on other Legal and Regulatory Requirements**

In accordance with the Companies Act, 1994 and the Securities and Exchange Rules 2020, we also report the following:

- a) we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit and made due verification thereof;
- b) in our opinion, proper books of account as required by law have been kept by the company as it appeared from our examination of those books;
- c) the statement of financial position and statement of profit or loss and other comprehensive income dealt with by the report are in agreement with the books of account; and
- d) the expenditure incurred was for the purposes of the Company's business for the year.

Income tax expense is recognised in the statement of profit or loss and other comprehensive income except to the extent that it relates to items recognised directly in equity, in which case it is recognised in equity in accordance with the requirements of IAS 12: Income Taxes.

**(a) Current tax**

Current tax is the expected tax payable or receivable on the taxable income or loss for the year, using tax rate enacted or substantively enacted at the reporting date, and any adjustment to tax payable or receivable in respect of previous years. The amount of current tax payable is the best estimate of the tax amount expected to be paid that reflects uncertainty related to income tax, if any. Current tax assets/liabilities are offset if certain criteria are met. It is measured using tax rates enacted or subsequently enacted at the reporting period. The applicable tax rate for Rupantarita Prakritik Gas Company Limited is currently 27.50% on tax basis of the Finance Act, 2023.

**(b) Deferred Tax**

Deferred Tax has been computed and accounted for in compliance with IAS 12: Income Taxes. The company's policy of recognition of deferred tax assets/liabilities is based on temporary differences (Taxable or deductible) between the carrying amount (Book value) of assets and liabilities for financial reporting purposes and its tax base, and accordingly, deferred tax income/expenses has been considered to determine net profit after tax.

A deferred Tax asset is recognized to the extent that it is probable that future taxable profit will be available, against which temporary difference can be utilized. Deferred tax assets are reviewed at each reporting date and reduced to the extent that it is no longer probable that the related tax benefit will be realized.

**3.12 Compliance with Local Laws:**

The Financial Statements have been prepared in compliance with requirements of the Companies Act-1994 and other relevant laws and rules in Bangladesh.
