Memo. No: RRI/TJ-1561/2024/915

Date: 18-12-2024

## Call for Papers

On behalf of the Editorial Board, the undersigned would like to inform that River Research Institute (RRI), is going to publish a Technical Journal (ISSN 1606-9277, Vol. 17, No.1) within a short period of time. We invite experts, professionals, academicians, scientists, researchers, policy makers, managers, stakeholders and students to submit papers which have not been published previously and are currently not under consideration elsewhere for publication. The author(s) are requested to submit their papers in soft copy form along with a cover letter to the Executive Editor, RRI, Faridpur by **28 February, 2025** by way of an e-mail ([tech.jour@rri.gov.bd](mailto:tech.jour@rri.gov.bd)) including lead author personal cell phone number.

The themes of the paper are: Hydraulics, Hydrology, River Morphology, Sediment Management, Geo-technical Engineering, Sediment Technology, Water Quality, Concrete and Building Materials, Physical and Numerical Modeling, Groundwater Utilization, Environmental Science & Engineering, Hydraulic Structures, Water Management or any other water resources engineering topics. For further guidelines author(s) are advised to go through the RRI website ([www.rri.gov.bd](http://www.rri.gov.bd)).

The paper will be selected on the basis of manuscript theme, problem formulation, authenticity of the database, the way of approach- methodology, supporting literature/ documents, analysis-presentation, standard with respect to scientific and technical field, national/ socio-economic importance, linguistic soundness and plagiarism.

The full length of the article is desired within 12 pages including tables and figures on A4 (21cm x 29.7cm). The manuscript should contain the Title of the paper, Abstract, Keywords, Introduction, Methodology, Results and Discussion, Conclusion, Acknowledgement (if any), Conflicts of Interest and References. The Manuscript should be written as editable/source files e.g. Microsoft Word (.doc or .docx and pdf.). Tables, figures and captions/legends should be embedded in the text where they naturally belong. The language of the manuscript should be in American English and single-spaced with single-column throughout the manuscript containing page and line number. The manuscript should be typed using Times New Roman with font size 10 and the page margin at the top, bottom, left and right is 1 inch (2.5 cm). References should be listed at the end of the manuscript according to the APA citation style. After acceptance of the article, the author(s) should follow the article preparation guideline and template for final submission. Author(s) are requested to follow the directions thoroughly and do some proofreading for grammatical mistakes, punctuation, plagiarism checking, typing error or any other possible inconsistencies before submitting articles.

The Technical Journal is published by the Editorial Board of River Research Institute. All editorial correspondence should be addressed to the Executive Editor, Editorial Board, Technical Journal of RRI, Faridpur, Bangladesh. RRI Editorial Board reserves all rights to accept, reject and publish the manuscript.
