DIRECTORY

It gives me much pleasure to know that the Foundation division of Bangladesh Scouts is going to publish a 'Foundation Members Directory'.

The directory will surely provide the information for everybody involved in Bangladesh Scouts Foundation. The directory will help the members to have healthy exchange of ideas and experience which lead to expand the Scouting in Bangladesh.

I thank to all members who have given their efforts to publish this directory.

Message

Chief National Commissioner
Bangladesh Scouts
and
Honorable Commissioner
Anti-corruption commissioner, Bangladesh

I am Pleased to Know that Foundation Division of Bangladesh Scouts is going to publish a colorful and informative directory of the members of Bangladesh Scouts Foundation.

Bangladesh Scouts is a non-political voluntary educational movement working to develop the youth physically, mentally, socially, intellectually and spiritually through a value based training system to make responsible citizen. At present Bangladesh Scouts has 2.2 million members and in terms of the growth rate of Scout population this number is the 3rd highest of world Organization of the Scout Movement. Running this movement is not an one man's job. If we all together contribute our resources like intelligence, labour, time and fund, the movement will go long run.

I would like to express my sincere thanks and gratitude to all concerned who brought forth the directory of Bangladesh Scouts Foundation. I am confident that the objectives of publishing this directory will be effective.

(Dr Md Mozammel Haque Khan)

Message

President
National Committee for Foundation
Bangladesh Scouts
and
Former Principal Secretary to the
Honorable Prime Minister

I am delighted to know that the members' Directory of Bangladesh Scouts Foundation is going to be published.

The National Committee for Bangladesh Scouts Foundation is trying to fulfill the long-felt demand of the members for such a publication. It was not an easy task to collect and compile the membership details, as a large number of them have changed their address and contact details. We have tried our best to overcome all the obstacles and finally the directory is going to light of the day.

I express my sincere thanks and gratitude to the members of the Foundation for their whole-hearted support and cooperation. Also thanks to the taskforce members who have really done an admirable task to publish this Directory. We hope they will always be with us.

I wish the Directory will be useful to its users.

(Md Abdul Karim, PhD)

Message

National Commissioner (Foundation)
Bangladesh Scouts

We have been given a great opportunity to launch a directory containing pertinent information on the members of Bangladesh Scouts Foundation.

Scouts is a voluntary educational and training based youth development movement. Bangladesh Scouts is funded by Bangladesh government that works to develop a child from his/her adolescent years to adulthood. It is a fantastic platform for us to demonstrate our passion for this sort of cause. We have different categories to choose from in order to be a Foundation member starting from the Aluminium level to Corporate level. The Foundation allows an individual to be a scout member even if they were not involved in "Scouting" before.

We would like to express our profound gratitude to our team who worked so diligently on preparing this directory. I thank everyone for joining us on this journey and supporting the Bangladesh Scouts Foundation. Please also except our apologies for inadvertent errors, despite our sincerest efforts.
