## Message

President  
Bangladesh Scouts  
and  
Commissioner, Global Commission on BiodiverCities

It gives immense pleasure to know that Bangladesh Scouts Foundation is going to publish a brochure.

It also gives a fresh view of how the Department is working hard on fundraising. I am sure this informative brochure will help to spread the message of Bangladesh Scouts Foundation.

The founder of Scouting Robert Baden-Powell said “Try and leave this world a little better than you found it, and when your turn comes to die, you can die happy in feeling that at any rate, you have not wasted your time but have done your best.” I also believe in this and hope that every member would try to do something for the betterment of our community.

I express gratitude to all brilliant members for their generous contributions of good social services. I thank all who made this effort to publish that brochure.

I wish you success in all your endeavours.

Md Abul Kalam Azad

Chief National Commissioner  
Bangladesh Scouts  
and  
Honorable Commissioner  
Anti-corruption commissioner, Bangladesh

I am Pleased to Know that Foundation Division of Bangladesh Scouts is going to publish a colorful and informative brochure to promote Bangladesh Scouts Foundation.

Bangladesh Scouts is a non-political voluntary educational movement working to develop the youth physically, emotionally, socially, intellectually and spiritually through a value based training system to make responsible citizen. At present Bangladesh Scouts has 2.2 million members and in terms of the growth rate of Scout population this number is the 3rd highest of world Organization of the Scout Movement.

Bangladesh Scouts arrange frequent Youth programs, community development camps, training courses, workshops and other events all the year round. As a voluntary educational movement, Bangladesh Scouts is not in a positive to implement the year-long program with its limited resources. Therefore, Bangladesh Scouts Foundation helps to implement the youth program by raising its fund.

I would like to express my sincere thanks and gratitude to all concerned who brought forth the brochure of Bangladesh Scouts Foundation. I am confident that the objectives of publishing this brochure will be effective.

### President

National Committee for Foundation  
Bangladesh Scouts  
and  
Former Principal Secretary  
of Honorable Prime Minister

I am pleased to know that a brochure of Bangladesh Scouts Foundation is going to be published.

Bangladesh Scouts Foundation is based on World Scout Foundation. The Bangladesh Scouts Foundation is a non-profitable institution, organized exclusively for charitable and educational purposes, and it helps the growth and development of Scouting in Bangladesh by providing financial support.

The founder of Scouting Robert Baden-Powell said “The most worthwhile thing is to try to put happiness into the lives of others”. Foundation members are doing their best to support the Scouting Movement in Bangladesh by permanently investing capital donations to help young people learn positive values and become tomorrow’s leaders.

I sincerely thank and appreciate the members of the Foundation for their inclusive cooperation. We hope they will always be with us. I wish the purpose of making the brochure will be a great success.

Md Abdul Karim

## Message

National Commissioner (Foundation)  
Bangladesh Scouts

It's a great news for us to bring out this brochure containing adequate information on the activities of Bangladesh Scouts. The brochure will certainly help us to expand the fund raising message to the community and enhanced the public image of Scout.

Bangladesh Scouts is the only voluntary educational movement also funded by Bangladesh Government that works to develop a child from his/her adolescent period. It is a journey to be a passionate individual. Ticket to Life is going to be our signature project for Bangladesh Scouts Foundation. Apart from that raised fund will be spend in youth scholarship and disaster management and many more projects development of the youth.

We have different category to choose to be a Foundation member starts from Aluminium to Red & Green. Bangladesh Scouts Foundation gives an opportunity to a person to be a Scout even though he/she was not involved in Scouting earlier.

I humbly urge everyone reading this brochure or in the program to join us as a proud member of Bangladesh Scouts Foundation and take an active role for the country to develop our future generation.

A special thanks to our team who worked hard on preparing this brochure. This caring efforts from them will surely bring us more eulogy.

I thank everyone being here and supporting the cause of Bangladesh Scouts Foundation generously and whole heartedly. And thank you for being active and taking part in the movement of our youth.

Sincerely

A handwritten signature in black ink, appearing to read "Safina Rahman".
