22 January 2026

Excellency,

**Subject: Thailand Scholarships for International Students for the Academic Year 2026**

The Ministry of Higher Education, Science, Research and Innovation of Thailand has implemented the Thailand Scholarships Program to promote academic excellence, strengthen international cooperation and support human capital development through the provision of scholarships for international students to pursue higher education studies and exchange or training programs at participating Thai higher education institutions.

It is my pleasure to inform you that, for the Academic Year 2026, the Ministry, in cooperation with Thai higher education institutions, is offering scholarships for international students of all nationalities under the Thailand Scholarships Group 2 (All Nationalities) scheme. Detailed information on the available scholarships and application guidelines is accessible via the QR code provided below.

In this regard, I would like to kindly request your assistance in disseminating information on the Thailand Scholarships for international students of all nationalities to relevant institutions, agencies, and stakeholders. Interested applicants are requested to submit their applications directly to the respective Thai higher education institutions in accordance with the eligibility criteria, procedures, and application deadlines specified by each host institution.

Please accept, Excellency, the assurances of my highest consideration.
