PREFACE

Light Engineering (LE) industries constitute a significant segment of the economy of Bangladesh in terms of their contribution to employment, output, value addition and exports. They play a vital role in the socio-economic development of the country. LE industry has been declared as one of the seven 'Highest Priority Sectors' in the National Industrial Policy-2016.

The LE industry is called the mother industry as they provide basic supports to the other industries. Machinery and spare parts produced by the entrepreneurs of the LE sector are supported to various mills & factories such as jute, cotton, sugar, paper, textile, garments, fertilizer, tea processing, ferry, railways, power plants, construction sector, transport, pharmaceuticals etc. Many light engineering products are import substituting. As per report of Export Promotion Bureau (EPB), in the FY 2015-16, the national earnings from the LE sector was BDT 4,183 crore (US\$ 510.08 million) and the products are exported to United Arab Emirates, Australia, Belgium, Saint Barthelemy, Canada, Germany, Spain and many other countries.

LE units are scattered all over the country but situated mostly in the urban areas. Cluster of light engineering industries are found in Dhaka, Chittagong, Bogra, Barisal, Faridpur, Rajshahi, Natore, Feni, Brahmanbaria, Comilla, Pabna, Jessore, Khulna, Sylhet, Madaripur, Jhenaidah, Kishorganj and Cox's bazar.

Presently, the LE products manufacturers' in Bangladesh are producing a wide range of products for export. They need more support for establishing a sustainable market linkages with local and foreign buyers. The SME Foundation (SMEF) is supporting SME entrepreneurs for setting up their marketing strategies for local & abroad. Publishing of this directory is a form of support aiming at local manufacturers' products information for market. The stakeholders of this sector can use the directory as a tool for their business linkages. Bangladesh Engineering Industry Owners' Association (BEIOA), Agricultural Machinery Manufacturers Association-Bangladesh, Forum of Agro Machinery Manufacturing and Processing Zone, Foundry Owner's Association of Bangladesh helped the 'Business Support Services (BSS)' team of SME Foundation in this regard. In addition, a number of entrepreneurs also provided necessary information as a response to a circular, uploaded in the SME Foundation website (www.smef.org.bd). The directory has been published with some basic information of the products, photographs, list of manufacturers' with contact details etc. As the first edition, the directory could not cover all the information of a particular product; however, there is room for improvement including the additional information in the upcoming editions.

We deeply appreciate the assistance of the associations, entrepreneurs and other stakeholders who contributed their best for finalizing the product directory. We hope that the directory will provide information of Bangladeshi light engineering products to the buyers and thus help to connect buyers and sellers at home and abroad.

S M Shaheen Anwar

Harmonized System (HS) Code of Some Light Engineering Products

| HS Code | Product |
|---------|--|
| 741532 | Screws, bolts, nuts and similar articles, threaded, of copper (other than screw hooks, ring- and eyebolts, lag screws, plugs, bungs and the like, with screw thread and wood screws) |
| 820340 | Pipe-cutters, bolt croppers, perforating punches and similar hand tools, of base metal |
| 820810 | Knives and cutting blades, of base metal, for machines or for mechanical appliances, for metalworking |
| 841319 | Pumps for liquids, fitted or designed to be fitted with a measuring device (excluding pumps for dispensing fuel or lubricants, of the type used in filling stations or in garages) |
| 841370 | Centrifugal pumps, power-driven (excluding those of subheading 8413.11 and 8413.19, fuel, lubricating or cooling medium pumps for internal combustion piston engine and concrete pumps) |
| 841430 | Compressors for refrigerating equipment |
| 841459 | Fans (excluding table, floor, wall, window, ceiling or roof fans, with a self-contained electric motor of an output <= 125 W) |
| 841720 | Bakery ovens, incl. biscuit ovens, non-electric |
| 841939 | Dryers (excluding dryers for agricultural products, for wood, paper pulp, paper or paperboard, for yarns, fabrics and other textile products, dryers for bottles or other containers, hairdryers, hand dryers and domestic appliances) |
| 842441 | Agricultural or horticultural sprayers, portable |
| 842449 | Agricultural or horticultural sprayers (excl. portable) |
| 842481 | Agricultural or horticultural mechanical appliances, whether or not hand-operated, for projecting, dispersing or spraying liquids or powders |
| 843280 | Agricultural, horticultural or forestry machinery for soil preparation or cultivation; lawn or sports-ground rollers (excluding sprayers and dusters, ploughs, harrows, scarifiers, cultivators, weeders, hoes, seeders, planters, manure spreaders and fertiliser distributors) |
| 843290 | Parts of agricultural, horticultural or forestry machinery for soil preparation or cultivation or of lawn or sports-ground rollers, n.e.s. |
| 843710 | Machines for cleaning, sorting or grading seed, grain or dried leguminous vegetables |
| 844621 | Power looms for weaving fabrics of a width > 30 cm, shuttle type |
| 846210 | Forging or die-stamping machines, incl. presses, and hammers |
| 847431 | Concrete or mortar mixers (excluding those mounted on railway wagons or lorry chassis) |
| 848049 | Moulds for metal or metal carbides (excluding moulds of graphite or other carbons, ceramic or glass moulds, linotype moulds or matrices, injection or compression-type moulds and ingot moulds) |
| 848210 | Ball bearings |
| 848310 | Transmission shafts, incl. cam shafts and crank shafts, and cranks |
| 848340 | Gears and gearing for machinery (excluding toothed wheels, chain sprockets and other transmission elements presented separately); ball or roller screws; gear boxes and other speed changers, incl. torque converters |
| 848360 | Clutches and shaft couplings, incl. universal joints, for machinery |
| 860729 | Brakes (other than air brakes), and parts thereof, for railway or tramway locomotives or rolling stock, n.e.s. |
| 870810 | Bumpers and parts thereof for tractors, motor vehicles for the transport of ten or more persons, motor cars and other motor vehicles principally designed for the transport of persons, motor vehicles for the transport of goods and special purpose motor vehicles, n.e.s. |
