

**Auditor's Report**  
&  
**Financial Statements**  
of

**THE NEW SAMANBAGH TEA ESTATE**  
FOR THE YEAR ENDED 30<sup>TH</sup> JUNE 2024

**Auditor:**

**Ahmed Zaker & Co;**  
Chartered Accountants

(A Member Firm of GGI)

74, Sk. Mujib Road (3rd Floor), Agrabad C/A, Chattogram-4000, Bangladesh.

**Independent Auditor's Report**  
**To the Bangladesh Tea Board**  
**Report on the Audit of the Financial Statements**

**Opinion**

We have audited the financial statements of **NEW SAMANBAGH TEA ESTATE** which comprise the Statement of Financial Position as at 30th June, 2024, Statement of Comprehensive Income, Profit & Loss Appropriation Account and Statement of Cash Flows for the year then ended, and Notes to the Financial Statements.

In our opinion, the accompanying financial statements give true and fair view in all material respects, of the financial position of the tea estate as at 30<sup>th</sup> June 2024 and its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs) and other applicable laws and regulations.

**Basis for Opinion**

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the tea estate in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) together with the ethical requirement that is relevant to our audit of the financial statements in Bangladesh, and we fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Responsibilities of Management and Those Charged with Governance for the Financial Statements**

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with IFRSs and other applicable laws and regulations and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the tea estate's ability to continue as a going concern, disclosing, as applicable, matters related to going concern, and using the going concern basis of accounting unless management either intends to liquidate the tea estate or to cease operations or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the tea estate's financial reporting process.

**Auditor's Responsibilities for the Audit of the Financial Statements**

The objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists.

Material misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the tea estate's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the tea estate's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the tea estate to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

#### **Report on Other Legal and Regulatory Requirements**

We also report the following:

- We have obtained all the information and explanation which to the best of our knowledge and belief were necessary for the purpose of our audit and made due verification thereof;
- In our opinion, proper books of account as required by law have been kept by the tea estate so far as it appeared from our examination of those books; and
- The Statement of Financial Position and Statement of Comprehensive Income dealt with by the report are in agreement with the books of account.

	<i>***For Details Please See Annexure - IV</i>		
	During the current period, the company identified and adjusted the following security deposits that were not posted in previous audit reports. These deposits, originally received on the following dates, were posted in the current year's financial statements, resulting in an increase in Assets: A/C No. 196116LPG133, dated 25.07.2016, A/C No. 196116LPG003, dated 20.08.2017, A/C No. 196116LPG006, dated 23.10.2022 & A/C No. 260170, dated 26.11.2019. The total amount of these unposted security deposits, Tk 1,502,376, has been recognized in the current year, contributing to an increase in liabilities. Additionally, interest of Tk 115,146 has been accrued on these deposits, bringing the total adjustment to Tk 1,560,479. This adjustment has led to an increase in the closing balance, as compared to the previous year's closing balance.

			<b>3,776,192</b>

As of the end of the financial year 2016, stock from the Store & Implementation division was used, but the related stock transactions have not yet been posted to the general ledger. Management is currently in the process of reconciling and posting these transactions, and the financial impact of the used stock will be reflected in the current financial period. While there has been a delay in posting these transactions, this delay does not affect the accuracy of the reported revenue for the period. The adjustment for the used stock will be recorded once the reconciliation and posting are completed.

		<u>4,795,336</u>	<u>13,089,010</u>

**\*\*\*For Details Please See Annexure - III**

As per the audit of the financial statements, it has been observed that the opening balance of the Fixed Deposit Receipt (FDR) does not match the corresponding balance reported in the previous financial statements. The opening balance of the FDR as at 30th June, 2023 is reported as Tk 16,992,445 whereas the balance reported in the previous period's financial statements was Tk 13,089,010. Management is taking the necessary steps to reconcile the difference, including reviewing relevant documentation and adjusting records where necessary.
