Application for Australia Awards Scholarships Intake 2025

Dear Mr Anwar Hossain

I am pleased to inform you that as part of the Australian Government's ongoing commitment to skills development in Bangladesh, we are offering scholarships for master's level study in Australia, commencing in 2025, under the Australia Awards Scholarship program. The enclosed Bangladesh Country Profile sets out the priority fields of study, target groups, details of the application process and requirements for applicants from Bangladesh.

Applications must be submitted online through <https://oasis.dfat.gov.au/> between **1 February and 30 April 2024**.

I would appreciate the Economic Relations Division's assistance in sharing this information about Australia Awards, including the Country Profile, with all Bangladesh Civil Service officials at various ministries, divisions, departments and offices, at the central and field levels and encourage potential candidates to apply. Female officers, officers from Bangladesh's indigenous communities and persons with disabilities are strongly encouraged to apply.

Through the Australia Awards program, Australia is committed to further strengthening the ties between Australia and Bangladesh and supporting Bangladesh's economic and human development priorities.

Yours sincerely,

Clinton Pobke
Deputy High Commissioner

Applying for an Australia Awards scholarship

Australia Awards scholarships in Bangladesh

Australia's international development assistance in Bangladesh helps promote prosperity, reduce poverty, and enhance political stability.

The Australia Awards scholarships are prestigious international awards offered by the Australian Government to the next generation of global leaders in developing countries. Through study and research, recipients develop the skills and knowledge to drive change and help build enduring people-to-people links with Australia.

Applicants are assessed on their professional and personal qualities, academic competence and, most importantly, their potential to impact on development challenges in eligible countries.

Applications are strongly encouraged from women, people with disability and other marginalised groups.
