Tender/Proposal Detail			
Tender/Proposal ID :	1333735	**Invitation Reference No. :**	27.22.4785.800.17.001.26.150 date:06/10/2026
Closing Date and Time :	23-Nov-2026 14:00	**Opening Date and Time :**	23-Nov-2026 14:00
Procuring Entity :	Office of the Project Director, Grid Power Evacuation System Development, WZPDCL, Khulna		
Brief :	Design, Supply, Installation, Testing and Commissioning of Six (6) New Grid-Adjacent GIS Switching Stations at Meherpur, Maheshpur, Bhanga, Bhola, Jhalakhati and Charfassion under "Grid Power Evacuation System Development Project" of West Zone Power Distribution Company Limited (WZPDCL), Khulna.		

Instructions for completing Tender/Proposal Data Sheet are provided in italics in parenthesis for the relevant ITT clauses	
ITT Clause	Amendments of, and Supplements to, Clauses in the Instructions to Tenderers/Consultants
	A. General
ITT Clause	1. Scope of Tender
	1.1 The Procuring Entity, as indicated in the Tender Data Sheet (TDS) issues this Tender Document for the supply and installation of plant and equipment incidental thereto as specified in the TDS and as detailed in Section 6: Schedule of Requirements. The name of the Tender and the number and identification of its constituent lot(s) are stated in the TDS.
	The Procuring Entity is West Zone Power Distribution Company Ltd. Address: Biddyut Bhaban Campus, WZPDCL, Khulna. The Name of the Tender is: Design, Supply, Installation, Testing and Commissioning of Six (6) New Grid-Adjacent GIS Switching Stations at Meherpur, Maheshpur, Bhanga, Bhola, Jhalakhati and Charfassion under "Grid Power Evacuation System Development Project" of West Zone Power Distribution Company Limited (WZPDCL), Khulna. Tender Ref: 27.22.4785.800.17.001.26.150 date:06/10/2026 Lot No(s): GD-03 (lot-a) The number, identification and name of lots comprising the Tender are: Design, Supply, Installation, Testing and Commissioning of Six (6) New Grid-Adjacent GIS Switching Stations at Meherpur, Maheshpur, Bhanga, Bhola, Jhalakhati and Charfassion under "Grid Power Evacuation System Development Project" of West Zone Power Distribution Company Limited (WZPDCL), Khulna.
ITT Clause	3. Source of Funds
	3.1 The Procuring Entity has been allocated public funds as indicated in the TDS and intends to apply a portion of the funds to eligible payments under the Contract for which this Tender Document is issued.
	The source of public fund is GOB (Cash Foreign Exchange).
	3.3 Payments by the development partner, if so indicated in the TDS, will be made only at the request of the Government and upon approval by the development partner or foreign state or Organisation in accordance with the applicable Financing/ Credit/Grant Agreement, and will be subject in all respects to the terms and conditions of that Agreement.
	The name of the Development Partner is none.

ITT Clause	5. Eligible Tenderers
	5.1 This Invitation for Tenders is open to all potential Tenderers from all countries, except for any specified in the TDS.
	Tenderers from the following countries are not eligible: Countries having no diplomatic relationship with Bangladesh.
ITT Clause	6. Eligible Plants and Services
	6.1 All plants and services to be supplied under the Contract are from eligible sources, unless their origin is from a country specified in the TDS and all expenditures under the contract will be limited to such plant, and services.
	Materials, Equipment and associated services from the following countries are not eligible: Countries having no diplomatic relationship with Bangladesh.
C. Qualification Criteria	
ITT Clause	13. Experience Criteria
	13.1 Tenderers shall have the following minimum level of supply experience to qualify for the supplying of Goods under the Contract: (a) a minimum number of years of general experience in the role of Contractor or Subcontractor or Management Contractor as specified in the TDS; and
	The Tenderer shall have a minimum of 3 (three) years of overall experience in the role of contractor, subcontractor or management contractor.
	13.1 Tenderers shall have the following minimum level of supply experience to qualify for the supplying of Goods under the Contract: (b) specific experience as a Contractor or Subcontractor or Management Contractor that are similar to the proposed plant and services in at least a number of contract(s) and, each with a minimum value, over the period, as specified in TDS.
	The minimum specific experience as a Contractor or Subcontractor or Management Contractor in similar to the proposed plant and services in at least a number of 2 (two) contracts of similar nature*, complexity and methods/construction technology successfully completed within the last 10 (ten) years, each with a value of at least Tk. 154.00 crore (Tk One Hundred and Fifty Four Crore) or equivalent USD 12.50 million. In addition, the performance of completed and ongoing turnkey contracts shall be taken into consideration during the evaluation. Note: The Tenderer shall have to submit End User Certificate(s) in End User's official pad; in favor of above mentioned experience stating that the performance of the supplied plant and services are satisfactory at least one (01) year. The End User Certificate(s) duly signed by the end user shall mention the name & commissioning date of the plant and services which were designed, supplied, installed/constructed, tested and commissioned by Tenderer and shall contain end-user's official address with website and domain e-mail, fax number and phone number for the convenience of authentication. In any case, WZPDCL reserves the right to verify genuineness of End User Certificate(s). Certificates not issued in Bangla or English shall be accompanied by a notarized English. Similar nature means: Construction of 33 kV or higher voltage level GIS Switching Station or 33/11 kV or higher voltage level GIS Substation, having experience in the engineering, design, supply, erection, installation, testing and commissioning of 33 kV GIS equipment associated control, protection, metering, auxiliary and other related systems, on a turnkey basis.
ITT Clause	14. Financial Criteria
	14.1 Tenderers shall have the following minimum level of financial capacity to qualify for the supply,

execution and performance of plant and services under the Contract:
(a) satisfactory resolution of all claims under litigation cases and shall not have serious negative impact on the financial capacity of the Tenderers. All pending litigation shall be treated as resolved against the Tenderers. The maximum number of arbitration awards against the Tenderer over a period shall be as specified in the TDS;

The maximum 3 (three) number of arbitration against the Tenderer over a period 5 (five) year.

14.1 Tenderers shall have the following minimum level of financial capacity to qualify for the supply, execution and performance of plant and services under the Contract:
(b) availability of minimum financial resources in any form or combination of forms of liquid assets or credit line(s) or working capital, net of other contractual commitments of the amount as specified in the TDS; and

The minimum amount of financial resources, in the form of liquid assets, working capital, credit line(s), specific credit commitment(s), or any combination thereof, to be demonstrated by the Tenderer shall be not less than 90% of the proposed amount.
The Tenderer shall submit audited financial statements/balance sheets for the last three (3) consecutive financial years, duly audited by a registered Chartered Accountant, to demonstrate the current soundness of the Tenderer's financial position and its prospective long-term profitability.

14.1 Tenderers shall have the following minimum level of financial capacity to qualify for the supply, execution and performance of plant and services under the Contract:
(c) the average annual turnover as specified in the TDS calculated as total certified payments received for contracts in progress or completed, during the period specified in the TDS.

The required average annual turnover shall be greater than 215 crore or equivalent 17 million USD within best three (3) years in the last five (5) financial years.

ITT Clause

15. Personnel Capacity

15.1 The Tenderer shall have the following minimum level of personnel capacity to qualify for the performance of the plant and services under the Contract.
A Project Manager, Engineers, and other key staff with qualifications and experience as specified in the TDS;

A Project Manager, Engineer, and other key staff shall have the following qualifications and experience: "			
SLN 0.	Position	Total Works Experience (Years)	Experience in similar works (Years)
01	Project Manager- 1 no.	15	01
02	Deputy Project Manager- 1 nos.	12	01
03	Design Engineer- 1 nos.	11	01
04	Electrical Engineer- 1 nos.	10	01
05	SAS Expert*-1 no.	10	01
06	Protection/Control Engineer- 1 no.	10	01
07	Civil Engineer- 1 nos.	10	01
08	Foreman- 6 nos.	05	03
09	Technician (Auto CAD)- 1 nos.	05	02
10	Technician (Electrical)- 6 nos.	05	02
11	Site Engineer (Electrical/Mechanical/Civil)- 6 nos.	05	02

- Tenderer shall provide manpower detail information in accordance of Technical proposal (Form PG5A-4) and an undertaking certificate regarding manpower that mentioned manpower will be engaged in the proposed work on dedicated basis (i.e. no involvement in any other ongoing work at

the time of implementation of proposed work). Failure to submit or misrepresentation of the detail information for manpower, Tender shall be rejected without further evaluation.

- The tenderer shall provide details of proposed personnel and CV of the employee except expertise shall be endorsed by the Tenderer in its letter head pad.
- The Tenderer shall state clearly in its Tender to the effect that installation, testing and commissioning of AIS, GIS, SAS and Aux. Transformer shall be performed by manufacturer experts of relevant manufacturer. In this regard, the Tenderer shall provide CV of the expert(s) of the relevant manufacturer in addition to the CV of Tenderer's employee.
- Except as the Employer may otherwise agree, no changes shall be made in the Personnel. If, for any reason beyond the reasonable control of the Contractor, it becomes necessary to replace any of the Personnel, the Contractor shall forthwith provide as a replacement a person of equivalent or higher qualifications acceptable to the Employer, including prior review where necessary.
- If the Employer, finds that any of the Personnel has committed serious misconduct or has been charged with having committed a criminal action; or has reasonable cause to be dissatisfied with the performance of any of the Personnel; then the Contractor shall, at the Employer's written request specifying the grounds therefore, forthwith provide as a replacement, a person with qualifications and experience, as stated above, acceptable to the Employer.

ITT Clause

16. Equipment Capacity

16.1 The Tenderer shall own suitable equipment and other physical facilities or have proven access through contractual arrangement to hire or lease such equipment or facilities for the desired period, where necessary or have assured access through lease, hire, or other such method, of the essential equipment, in full working order, as specified in the TDS.

The Tenderer shall own or have proven access to hire or lease of the major equipment, in full working order as follows :

No	Equipment Type and Characteristics	Minimum Number Required
1	Crane 10 tons	01 set
2	Transportation Vehicles	As required
3	Relay test set	01 set
4	Primary Current Injector	01 set
5	Secondary Current Injector	01 set
6	Earth tester	01 set
7	Insulation testers (5 kV)	01 set
8	Live-Line Voltage & Current Measuring Tools	01 set
9	Others	As required

ITT Clause

17. Joint Venture (JV)

17.1 Tenderers may participate in the procurement proceedings forming a Joint Venture(JV) by an agreement, without alterations, in the format as specified in the Format e-PG5A-2b, executed case by case on a non-judicial stamp of value as specified in the TDS or alternately with the intent to enter into such an agreement supported by a Letter of Intent along with the proposed agreement duly signed by all legally authorised partners of the intended JV and authenticated by a Notary Public, with the declaration that the partners will execute the JV agreement in the event the Tenderer is successful.

The value of non-judicial stamp for execution of the Joint Venture Agreement shall be Tk 300 only.

17.2 The figures for each of the partners of a JV shall be added together to determine the Tenderer’s compliance with the minimum qualifying criteria; however, for a JV under ITT Sub Clause 17.1, with number of partners as specified in the TDS to qualify, Lead partner and other partners must meet the criteria as specified in the TDS. Failure to comply with these requirements

	will result in non-responsiveness of the JV Tender.
	Maximum number of partners in the JV shall be “not limited” The minimum qualification requirements of Leading Partner, other Partner(s) and requirements by summation of a JV shall be as follows:

ITT Clauses References	Requirements by summation	Requirements for Leading Partner	Requirements for other Partner(s)
ITT-13.1(a)	Summation not applicable	Same as stated in TDS	Same as for Leading Partner
ITT-13.1(b)	100%	At least one Contract	Minimum requirement not applicable
ITT-14.1(b)	100%	40%	25%
ITT-14.1(c)	100%	40%	25%
ITT-15.1	100%	Minimum requirement not applicable	Minimum requirement not applicable
ITT-16.1	100%	Minimum requirement not applicable	Minimum requirement not applicable
ITT-17.5	100%	Maximum among the Partners	Minimum 25%

ITT Clause	18. Subcontractor(s)
	18.1 Tenderers may intend to subcontract an activity or portion of the Plant and Services that will be subcontracted, if any, including the entity (ies) to whom each portion will be subcontracted to, subject to maximum allowable limit for subcontracting of Plant and Services specified in the TDS, in which case such item(s) and the proposed Subcontractor shall be clearly identified in the Form e-PG5A-2c.
	The maximum of percentage 20% of Goods allowed to be subcontracted.
	18.4 The Procuring Entity may also select in advance Nominated Subcontractor(s) to execute certain specific components of the Works and if so, those will be specified in the TDS.
	The Nominated Subcontractors named shall execute the following specific components of the proposed Works: None.
	D. Tender Preparation
ITT Clause	19. Only one Tender
	19.1 If a Tender for Plants and Services is invited for a number of lots on a” lot-by-lot” basis as specified in the TDS. If a Tender for Plants and Services is invited for a number of lots on a” lot-by-lot” basis, each such lot shall constitute a Tender. Tenderers shall submit only one (1) Tender for each lot, either individually or as a JVCA. Tenderer who submits or participates in more than one (1) Tender in one (1) lot of the package will cause all the Tenders of that particular Tenderer to be rejected.
	Tenders are being invited for single lot.
ITT Clause	23. Contents of Tender

	23.2 The Technical Offer prepared by the Tenderers will comprise the following: (e) The Tenderer shall submit with its Tender the following documents as a proof of fulfilling taxation obligations in accordance with ITT Sub Clause 5.5; i. TIN certificate; ii. Acknowledgement slip issued by the competent income tax authority as a proof of submission of income tax return for the Assessment Year as mentioned in the TDS; and iii. Value Added Tax registration certificate/ Business Identification Number.
	Income Tax Assessment Year shall be 2024-2025.
	23.2 The Technical Offer prepared by the Tenderers will comprise the following: (o) Tenderers shall have the up-to-date valid license(s), issued by the corresponding competent authority, as specified in the TDS.
	Tenderers shall have a valid ABC Category Electrical Supervisory License issued by the Bangladesh Electrical Licensing Board, as applicable to the scope of work.
	23.2 The Technical Offer prepared by the Tenderers will comprise the following: (r) Any other document as specified in the TDS.
	The Tenderer shall prepare and submit its Tender additional document but not limited to as following: 1. Registration / Certificate of Incorporation / Trade License / relevant registration documents as documentary evidence to satisfy the General Experience criteria stated under ITT 13.1(a), substantiated in accordance with ITT 31.1(a). 2. Completion Certificate(s) / duly certified End User evidence issued by the relevant Procuring Entity(s) as documentary evidence to satisfy the Specific Experience criteria stated under ITT 13.1(b), in accordance with ITT 31.1(b). 3. Audited Financial Reports / Audit Reports and relevant financial statements as documentary evidence to establish the Average Annual Turnover criteria stated under ITT 14.1(c), in accordance with ITT 31.1(g). 4. Technical Proposal, Work Plan & Bar Chart as per ITT 30.1 (form no e-PG5A-4) 5. Manufacturer's Authorization (form no e-PG5A-6) as per ITT 31.1(e) and uploaded Technical spec (section 7) & GTP (section 8). 6. Product Brochures / Catalogue as per ITT 29.3 7. Must upload all test certificates as specified in uploaded section 7 and 8. 8. Site Visit Report as per ITT 7. 9. Personnel Information / CVs of the proposed Project Manager, Engineers and other key personnel as documentary evidence to satisfy the personnel capacity criteria stated under ITT 15.1 and 31.1(h). 10. Equipment Information and documentary evidence of ownership, hiring, leasing or assured availability of major equipment as documentary evidence to satisfy the equipment capacity criteria stated under ITT 16.1 and 31.1(i). 11. Warranty / Defect Liability Undertaking/Certificate as required under GCC 45.1–45.2 and the relevant PCC/Employer's Requirements. 12. Guaranteed Technical Particulars (GTP) uploaded in section 8 duly completed and signed by the Manufacturer and Tenderer, together with relevant supporting documents, as required under the Technical Specification / Employer's Requirements and ITT 29. 13. Manufacturer's experience must meet manufacturer's experience criteria in uploaded **section 7.12.1** for the offered type/equipment, as specifically required under the relevant Technical Specification/TDS, read with ITT 13.1(b) and 31.1(b). End User Certificate about the satisfactory operation of the offered model shall be on the user's letterhead, indicating address, telephone, e-mail address, end user's name, description of work, commissioning date and contract date shall be provided in the bid. Where all the evidence other than in English Language must be translated into English and the translation shall be certified by the Notary public or Government Authorized agency of the bidder's country. If any bidder fails to submit any of the above documents, then the bid shall be rejected. [Note: If required, the Procuring Entity (PE) may authenticate the Type Test Certificates and Reports directly with the issuing laboratory. Any applicable fee or cost charged by the issuing

	laboratory for such authentication shall be borne by the Tenderer. The Type Test Certificates and Reports shall contain the laboratory's full mailing address, e-mail address, website address, and fax/telephone number to facilitate authentication. If any of this information is not provided in the Certificates and Reports, the missing information shall be furnished separately on the Manufacturer's official letterhead, duly signed and sealed by the authorized representative of the Manufacturer.]
	23.3 The Financial Offer prepared by the Tenderers will comprise the following: (c) any other document as specified in the TDS.
	None.
ITT Clause	26. Tender Prices, Discounts and Price Adjustment
	26.3 Unless otherwise specified in the TDS, tenderers shall quote for the entire Plant and Installation Services on a "single responsibility" basis such that the total tender price covers all the Contractor's obligations mentioned in or to be reasonably inferred from the tender document in respect of the design, manufacture, including procurement and subcontracting (if any), delivery, construction, installation and completion of the plant. This includes all requirements under the Contractor's responsibilities for testing, pre-commissioning and commissioning of the plant and, where so required by the tender document, the acquisition of all permits, approvals and licenses, etc.; the operation, maintenance and training services and such other items and services as may be specified in the Tender Document, all in accordance with the requirements of the General Conditions of Contract. Items against which no price is entered by the Tenderer will not be paid for by the Purchaser when executed and shall be deemed to be covered by the prices for other items.
	Tenderers shall quote for the entire Plant and Installation Services on a single responsibility basis.
	26.7 In the Schedules, tenderers shall give the required details and a breakdown of their prices as follows: a) Plant to be supplied from abroad (Schedule No. 1): The price of the plant shall be quoted on CIP-named place of destination/CIF basis as specified in the TDS and as applicable.
	Price of Plant and Mandatory Spare parts shall be quoted on CIP. Port of Landing: Any port of Chittagong/Dhaka/Khulna (Mongla)/Benapole Place of Destination: Project site (Moheshpur, meherpur, bhanga, bhola, charfassion and jhalakhati) via Project Store, Khulna or WZPDCL's store near to the switching station sites or any store/place as directed by Consignee.
	26.7 In the Schedules, tenderers shall give the required details and a breakdown of their prices as follows: (d) Installation Services shall be quoted separately (Schedule No. 4) and shall include rates or prices for local transportation to named place of final destination as specified in the TDS, insurance and other services incidental to delivery of the plant, all labor, contractor's equipment, temporary works, materials, consumables and all matters and things of whatsoever nature, including operations and maintenance services, the provision of operations and maintenance manuals, training, etc., where identified in the Tender Document, as necessary for the proper execution of the installation and other services, including all taxes, duties, levies and charges payable in the Procuring Entity's country as of twenty-eight (28) days prior to the deadline for submission of tenders.
	Local transportation to named place of final destination is: Project site
	26.9 The prices shall be either fixed or adjustable as specified in the TDS.
	The prices quoted by the Tenderer shall be fixed for the duration of the Contract.
ITT Clause	27. Tender Currency
	27.3 For expenditures that will be incurred outside Bangladesh, the Tenderer may quote the prices as specified in TDS.

	Name of the foreign currency: USD.
ITT Clause	29. Documents Establishing the Eligibility and Conformity of Plant and Services
	29.3 Documentary evidence of conformity of the Goods to the Tender Documents may be in the form of literature, drawings, and data, and shall consist of: (b) a list giving full particulars, including available sources, of all spare parts and special tools necessary for the proper and continuing functioning of the plant for the period named in the TDS, following completion of plant and services in accordance with provisions of contract; and
	Spare parts are required. Period of time the Equipment are expected to be functioning (for the purpose of spare parts): 20 (twenty) years from issuing date of DCC/OAC. *[Note: Such spare parts as the Purchaser may elect to purchase from the supplier, provided that this election shall not relieve the supplier of any warranty obligations under the contract; Such spare parts that the Purchaser may be able to purchase from other supplier/manufacturers but are compatible with the goods procured]*
ITT Clause	30. Documents Establishing Technical Proposal
	30.1 Tenderers shall furnish a Technical Proposal including a statement of work methods, equipment, personnel, schedule, risks involved and measures thereagainst and any other information as stipulated in TDS, in sufficient detail to demonstrate the adequacy of the Tenderer's proposal to meet the work requirements and the completion time.
	The Tenderer shall mention maximum days required to complete the supply of equipment/ materials (at site) and maximum days required for the completion of actual design, erection, installation, testing, commissioning & Civil work in bar chart form within the completion time.
ITT Clause	31. Documents Establishing the Tenderer's Qualification
	31.1 Tenderers shall complete and submit the Tenderer Information (Form e-PG5A-2a) and shall include documentary evidence, as applicable to satisfy the following: c) information regarding claims under litigation, current or during the last years as specified in the TDS, in which the Tenderer is involved, the parties concerned, and value of claim as stated under ITT Sub Clause 14.1(a), substantiated by statement in its letter-head pad;
	The required information regarding claims under litigation shall cover the current status and claims during the last three (3) / five (5) years.
	31.1 Tenderers shall complete and submit the Tenderer Information (Form e-PG5A-2a) and shall include documentary evidence, as applicable to satisfy the following: e) if required in the TDS, a Tenderer that does not manufacture or produce the Goods shall submit the Manufacturer's Authorization Letter (Form e-PG5A-6);
	Manufacturer's Authorisation is required for sl no. 1 & 2 items listed in Section 6: Schedule of Requirements
	31.1 Tenderers shall complete and submit the Tenderer Information (Form e-PG5A-2a) and shall include documentary evidence, as applicable to satisfy the following: g) reports on the financial standing of the Tenderers, such as profit and loss statements and audited balance sheet for the previous years as specified in the TDS, substantiated by Audit Reports;
	The required reports on the financial standing, such as profit and loss statements and audited balance sheet shall be for the last 3 (three) years.
ITT Clause	32. Validity Period of Tender
	32.2 Tenders shall remain valid for the period as specified in the TDS after the date of Tender submission deadline. A Tender valid for a period shorter than that specified will be considered, non-

	responsive.
	The Tender Validity period shall be 150 days.
ITT Clause	34. Tender Security
	34.1 Tenderers shall furnish as part of its Technical offer Tender, in favour of the Procuring Entity or as otherwise directed on account of the Tenderer, a Tender Security in original form and in the amount, as specified in the TDS.
	The amount of the Tender Security shall be as specified in Tender notice.
F. Tender Opening and Evaluation	
ITT Clause	55. Financial Evaluation
	55.6 The Procuring Entity's evaluation of a Tender may require the consideration of other factors, in addition to the Tender price quoted as stated under ITT Clause 26. The effect of the factors selected, if any, shall be expressed in monetary terms to facilitate comparison of Tenders. The factors, methodologies and criteria to be used shall be as specified in TDS. The applicable economic factors, for the purposes of evaluation of Tenders shall be: (a) adjustment for deviations in the Delivery and Completion Schedule; (b) cost of major replacement components, mandatory spare parts and service.
	The applicable economic factors, for the purposes of evaluation of Tenders shall be: (a) Adjustment for Deviations in the Delivery and Completion Schedule: Not applicable. (b) Cost of major replacement components, mandatory spare parts, and service: Not applicable. (c) Other factors affecting the true economic value: Not applicable.
G. Contract Award	
ITT Clause	65. Performance Security
	65.1 Performance Security shall be provided by the successful Tenderer in BDT currency and within the timeline as mentioned in the TDS.
	The amount of Performance Security shall be ten (10) percent of the Contract Price. The successful Tenderer shall furnish the Performance Security for the due performance of the Contract within 28 (twenty eight) working days of issuance of the Notification of Award (NoA). [Note: The PE (Procuring Entity) may increase the amount of the Performance Security above the amount specified under ITT Sub-Clause 65.1, but not exceeding twenty-five (25) percent of the Contract Price, if in the opinion of the TEC, it is found that the item prices are unbalanced due to front-loading, as stated under ITT Sub-Clause 69.4 and 55.7]
	65.3 In the event a Government owned enterprise as stated under ITT Sub Clause 5.10 is the successful Tenderer, there shall be Security Deposit as specified in the TDS, in lieu of the Performance Security, as stated under ITT Sub Clause 65.1
	The Security Deposit shall be deducted @ ten (10) percent from the successful Tenderer's (any government enterprise) payable invoices during Contract implementation, if awarded the Contract.
ITT Clause	66. Form and Time Limit for Furnishing of Performance Security
	66.2 Within the timeline mentioned in the TDS from the issuance of the NOA but not later than the date specified therein, the successful Tenderer shall furnish the Performance Security for the due performance of the Contract in the amount as stated under ITT Sub Clauses 65.1 or 65.2.
	The successful Tenderer shall furnish the Performance Security for the due performance of the Contract within 28 (twenty eight) working days of issuance of the Notification of Award (NoA). Performance Security shall be required to be valid until a date twenty-eight (28) days beyond the

	Intended Completion Date as specified in Tender Document according ITT 67.1.
ITT Clause	69. Retention Money and Contractual Security
	69.1 Upon the completion of delivery of Goods and subsequent acceptance by the TEAC, the Procuring Entity shall deduct from the payment certificate, a retention amount at the percentage rate as mentioned in TDS.
	As stated in GCC Sub-Clause 64.1, retention money is an amount retained by the Procuring Entity from the payment due to the Contractor at the percentage specified in the PCC. This retained amount shall be kept as security until the successful completion and expiry of the Defects Liability Period.
	69.3 The Contractual Security against the contract shall not go beyond the amount mentioned in the TDS unless it is recommended by the TEC to extend as mentioned in ITT Sub Clause 69.4.
	The Contractual Security shall not exceed ten percent (10%) of the Contract Price, unless the TEC recommends an increase in accordance with ITT Sub-Clause 69.4, in which case it may be increased up to a maximum of twenty-five percent (25%) of the Contract Price.
ITT Clause	70. Contract Signing
	70.2 Within the timeline mentioned in the TDS from the issuance of the NOA but not later than the date specified therein, the successful Tenderer and the Procuring Entity shall sign the contract.
	The successful Tenderer shall sign the contract with the Procuring Entity within forty-two (42) days of issuance of the Notification of Award (NoA).
ITT Clause	73. Adjudicator
	73.1 The Procuring Entity proposes the person named in the TDS to be appointed as Adjudicator under the Contract, at an indicative hourly fee and for those reimbursable expenses as specified in the TDS.
	Adjudicator: President, The Institution of Engineers, Bangladesh (IEB), Dhaka. Professional Fee: BDT 5,000 (Taka Five Thousand) per hour Reimbursable Expenses: Actual and reasonable expenses for travel, accommodation, communication, report preparation, transportation etc., subject to applicable Government rules and supporting documents. The biographical data of the Adjudicator is: Nationality: Bangladeshi Professional Position: President, The Institution of Engineers, Bangladesh (IEB) Professional Organisation: The Institution of Engineers, Bangladesh (IEB) Relevant Professional Experience: Extensive professional experience in engineering, infrastructure development, project management and related technical and professional matters. Relevant Experience in Contract Administration/Dispute Resolution: Shall be supported by a detailed Curriculum Vitae and relevant professional records.” Address: The Institution of Engineers, Bangladesh (IEB), Ramna, Dhaka-1000, Bangladesh.
